

In God's love we believe and achieve

Child Friendly Safeguarding and Child Protection Policy

St. Michael's

Catholic Primary School

What is safeguarding about?

At St Michael's Catholic Primary school all our adults think your health and safety and wellbeing is very important. In our school we respect you and want to keep you safe. We make sure children make good progress with their learning. We teach children how know if something does

How will we look after you?

We provide a safe place for children to learn.

We will make sure that children remain safe, at home as well as at school.

We think it is important for our children to know where to get help if they are worried or unhappy about something.

What to do?

If you need to talk –WE WILL LISTEN!

You can talk to any adult in school! Tell an adult if you are worried, angry or sad. Please tell an adult if you are worried about a friend or your family. Please tell a friend and then go with a friend to tell an adult.

You can also leave a note in your class worry monster jar/box, or speak to Helen or Stef. Don't forget to put your name on the note.

Don't keep it a secret if someone is...

Bullying you

Hitting or hurting you

Saying funny things that you do not like or upset you.

Sending unkind messages on the internet or to your phone.

Touching you or if someone is asking you to touch them or asking you to send photos of you or sends photos to you

Trying to give you something and asking you to keep it a secret.
