

We have had an extremely busy half term with World Book Day, a poetry festival in school, table tennis competitions, kindness workshops and three of our residential trips. We also had our parent meetings with all teachers, a coffee morning and Year 4 started their sacramental preparations. We are still welcoming our external specialists in to school with marital arts, drama, gymnastics, dance, PE, guitar and forest school. We have always been proud of the broad and varied experiences we make available to our children and this is something we will continue to build upon. We would like to thank you for attending the meetings with your child's teacher - please speak to me, Miss Davies or the school office if you need any information at any time. Thank you to all of our parents / carers for supporting us in your children's education.

Mr Loughran

Our collection for Halton Haven Hospice raised a fantastic £256 and our coffee morning for Fairtrade raised £247. Thank you all so much for your generosity.

Our kindness day during mental health week was a great success and we had lots of different workshops taking place around school. Paul Delaney inspired lots of new poets across the school on our poetry festival day - well done to all of the children, Paul was very impressed with your work!

We have had our willow artist in school again this week working with all of our classes. We can't wait to see the finished article - a great memory for the children knowing they contributed to a long lasting artwork for the school grounds.

Reminder to parents/carers: please read with children every night and sign their reading diaries.

Uniform Reminder: Please ensure all children are in full school uniform including tie and school shoes and full navy school PE kit on PE days.

Summer dresses (NAVY GINGHAM only please and not light blue) or smart grey school shorts can be worn after Easter when we hope the weather will be warmer!

Asda, Next, Argos / Tu and Marks & Spencer are stocking navy gingham school dresses currently.

We will restart our attendance 100 club after the holidays with some great prizes to be won for all children with 100% attendance each week - there will be a draw at the end of May for all children who have attended every day in the first half term of summer!

Details of our new KS2 trips (for 2025) for current Years 2, 3 and 4 will be sent out to parents on Monday 25th March and the Year 6 trip for current Year 5's will be launched in the summer term once pricing is confirmed. This gives parents a longer time to make smaller more frequent payments which have been very popular - thank you for the feedback on making payments this way.

A big thank you to all of the staff for giving up their time to enable children to have such brilliant experiences. Our team of very dedicated staff always go above and beyond for our pupils and we are sincerely grateful to you all.

Year 4 had an absolutely amazing time at PGL - they had so many adventures and tried lots of new things. Well done Year 4.

Boreatton Park was our PGL destination for Year 5, always a fun place to go to with lots of new and different things for the children to do.

We were very impressed with Year 3 on their very first residential. They showed how mature they were with both their behaviour and how resilient they were trying all of the activities at Crosby Hall.

Our choir were amazing performing at Saints Peter and Paul and the audience loved listening to all the indie songs.

Congratulations to our table tennis players who were awarded medals in the recent competition.

Thank you to Alan for all of the work he does training our children at our table tennis clubs twice a week.

Mon 25 th March	<ul style="list-style-type: none"> • Holy Week • Egg Creations to be dropped off in school hall - Key stage 2
