

As we come to the end of 2023, we can look back on a wonderful year in school which has been full of achievements. We are extremely proud of our Ofsted report and our RE inspection report - these successes are down to every single member of staff, child, governor and parent who has supported us this year and worked so hard.

I would like to take this opportunity to thank you all. Thank you to our staff, who are so dedicated to caring for our children. Thank you to our wonderful pupils who I am so proud of. Thank you to our school governors who work tirelessly to ensure the best education for our children and finally, thank you to the supportive parents / carers who work with us in partnership making this school family one to be so proud of.

I hope you all have a wonderful Christmas with your family and friends, enjoy all your celebrations.
God bless you all,
Mr Loughran

Congratulations to all of the children who have won the value awards this term. This is a very important award as showing our values to one another makes this school what it is.

Thank you to all of the children who visited Ferndale to sing for the residents, they were thrilled and it really made their Christmas. Year 5 have also been visiting each week and have made some lovely friends - this will be continuing after Christmas

Thank you so much to all of the families who contributed to our shoebox full of love appeal, we were absolutely delighted with the response.

Well done to all of the children who have won prizes in our 100 club. Our attendance prizes will continue in the new year - look out for some fantastic prizes...

We return to school on Monday 8th January and look forward to seeing you all then.

We really enjoyed our trips to Frodsham woods for tree planting - we picked the coldest day of the year though! It was a really enjoyable activity and we were very proud of the children, they did a great job. It will be interesting for them to go back in a few years to see them growing.

The children are still enjoying their bagels in school every morning as part of the National School Breakfast programme and our classes are now taking turns to have breakfast in the hall with their friends each morning.

Thank you to all of our parents/carers for supporting our Christmas raffle.

We raised over £1200 for our school funds!

Reception will be starting forest school in January - we hope they are really looking forward to this great learning experience every Friday afternoon. Please see the email from Miss Owens about what they will need to wear. We will invite parents to join the children for a session in February / March.

We have all been blown away with the amazing Christmas performances this year. We're proud as a Catholic school to be able to show the real meaning of Christmas and the enthusiasm of our children makes us extremely proud.
