

Thank you to our wonderful new reception class for their welcome assembly - we are all very proud of them. Thank you to Miss Owens, Miss Abbott and Miss Strong for all of their hard work helping to settle the children in to school so well. We can't wait for the Christmas nativity now after seeing how well they did after only a few weeks in school!

 The children are all looking forward to seeing our 100 club wheel in assembly next Thursday as we pick a winner from all of the children who have been in school every day this half term. 

We celebrated St Michael's Feast day in school on 29th September and the children did a wide variety of activities on this Mission day. The children all attended a lovely assembly and our older children went to Mass at St Michael's Church

Congratulations to all of the children who are winning our Value Awards each week. We teach our children about our school values as soon as they start at school and they are an important part of our school life. We will continue to recognise and celebrate children who show kindness, resilience, friendship and love around school along with those children who work so hard and win our Golden Tie each week.

Thank you to all of our parents and carers who have attended our lunches with the children in Reception, Year 1 and Year 2. We hope you enjoyed seeing inside the school day and how independent the children are when getting their lunch. We have had great feedback about this so will try to continue this again next year.

Correspondence will be sent to parents by email / text. Please ensure your email address and mobile number is always up to date with the school office.

Follow us on twitter (X) for all of our updates including photographs of what's happening in school: @stmichaelscps

Please apply for income related free school meals if you think you are eligible - it helps the school and all of our children. Ask the office for more information

Thank you to all of our parents, carers and staff for the generous donations for Widnes Foodbank. Our Y5 chaplains delivered this with Mrs Hillier and the donations were gratefully received and will be put to good use in the local community.

We sincerely appreciate the generosity of all of our families, especially in these difficult times when everyone is struggling with price rises.

We received some fantastic homemade cakes and many other donations towards our Macmillan coffee morning. Thank you to Y5 and our Teaching Assistants for organising the coffee morning and to all of the parents and carers for attending.

The children all enjoyed Judaism week in school and we had a visit from Mr Cohen who worked with a number of classes in school. The children loved learning about all of the customs of Judaism and Mr Cohen told some interesting and moving stories.

Year 5 had a great science day learning all about 'Chemistry with Cabbages' and year 6 have continued to work with Bright Leaders taking part in lots of different challenges and workshops. The final week of Bright Leaders took place today with the whole school taking part in Rock Kidz who delivered an important message about resilience and determination.

24 th - 27 th Oct	Parents' Evening
Thur 26 th Oct	School Closes for Half term - Normal finishing times.
Fri 27 th Oct	Inset Day - school closed to pupils.
