

I can't believe that we are only a couple of weeks into our new school year - so much has happened already in school! Thank you all for sending the children in to school in such smart uniforms, we have gone from the heat of having to wear our school PE kits to winter coats within a week! Please continue to help us keep up our smart uniform standards throughout the year.

Thank you for all of the feedback about our Ofsted report, we are so glad that you all agree that we have outstanding staff, children (and Governors!). We will continue to do everything we can to provide our children with the very best education and always appreciate everything you all do as parents/carers to work in partnership with us - we couldn't do it without you!

We have been very proud of our new Reception class who have settled in to school so well and look forward to their journey through school in our St Michael's family.

Mr Loughran

Correspondence will be sent to parents by email and text so please ensure your email address and mobile number is always up to date with the school office.

Follow us on twitter (X) for all of our updates including photographs of what's happening in school:
@stmichaelscps

Don't forget: entry time to school is between 8:40 - 8:50. Please help children arrive on time. Parents of children arriving late need to sign all children in at the office after 8:50.

Please apply for income related free school meals if you think you are eligible - it helps the school and all of our children. Please call the school office if you need any more information

We have an exciting programme of KS2 residential trips taking place this year. You will be receiving regular updates about how much you have paid and what is left to pay - please try and keep up to date with the payments to make sure there is no large balance left after Christmas. Please contact the office if you need any more information.

Please see the email sent out clarifying no changes to our PE kit. This continues to be our navy school shorts and top along with the navy/gold hoody available from Kits 4 All in Lugsdale Road.

Year 6 had the great pleasure of meeting Nicola Hodson who is an ex pupil of St Michael's and now the first female Chief Executive Officer of IBM UK. It was a very inspirational talk and showed the children that there are no limits to what they can achieve and that they should always follow their dreams. Year 6 had some great questions for Nicola and she was very impressed with their knowledge.

Congratulations to the first winners of our 100 club!!! This is our new weekly attendance initiative. At the end of each half term there will be a big draw with some brilliant prizes for those who have 100% attendance for that half term. Each week to start with there will be a prize draw with prizes for children to win if they have been in the 100 club the week before. Thank you to all of our parents / carers for supporting our new initiative and look out for lots more rewards throughout the year.

Our staff have kindly agreed to run a number of after school clubs across the year. Please look out for your emails to see what will be on offer. Thank you to our wonderful staff.

Year 6 had a visit from Cheshire Police last week to hear a talk about the real dangers that children can face online. It was a very informative session and gave the children a lot to think about. We hope that DC Kevan will visit school again and parents will take advantage of this very important talk about keeping children safe. We ask that all parents regularly monitor their child's phone usage.

We hope the children have enjoyed their swimming lessons. It was wonderful to see and hear the excitement each day. 'Our pool' is booked again for the summer term and we are thrilled to be able to offer this innovative way of enabling all of our children to learn this important life skill.

We are delighted to invite back our specialist staff to teach gymnastics, dance, PE, martial arts, guitar and art. These opportunities and experiences are fantastic for our children and we are so fortunate to have them in school.
