

Pathways to Write

At St Michael's we aim to deliver all elements of the curriculum in an exciting way. This year, we are continuing to use a text based approach to delivering the requirements of the English curriculum in each year group. We are using **Pathways to Write** which is a proven methodology built around units of work which develop vocabulary, reading and writing skills through the mastery approach. All units, for EYFS to Y6, are linked to high-quality texts to ensure engaging and purposeful English lessons. Effective teaching strategies to challenge greater depth writers are included within each unit of work.

The Pathways overview document shows the books that will be covered in each class throughout the year.
