

Summer Newsletter - May / June 2026

Dear Parents / Carers

We are in our final half term of the year - another half term that will be full of fantastic opportunities for all of our children. There will be the Y6 residential visit, trips to Manchester Airport, Cheshire Ice Cream Farm, Gulliver's World and the Cheshire Show. Our Choir will also be singing at Liverpool Cathedral and Y4 parents will be coming into school to see their children playing guitar.

We will be welcoming our new Reception children in to school for visits and taster sessions in the next few weeks, I know you will all welcome our new children in to the St Michael's family.

This time of year we reflect with our Year 6 pupils on the wonderful time they have had at St Michael's and they will make more memories to take with them as they move on to high school. The children will be finding out their new teachers very soon and will move to their new classes for a couple of transition days in July. We try to make these days as anxiety free as possible and ask that you help us in reassuring the children they have nothing to be worried or concerned about.

We are extremely fortunate to have an outstanding team of teachers and support staff here at St Michael's and every one of them only wants the best for your children.

I am hoping to arrange a 'meet your teacher' event for parents as soon as possible to allow the staff to share their thoughts and expectations for that year group. I will be in touch once the dates are finalised.

My door is always open and you can catch me on the playground every day along with Miss Davies our Assistant Headteacher and SENDCO.

Mr Loughran

The children enjoyed their visit from Dan Worlsey, Author, and all of the classes had a great day listening to his stories and learning about why he became an author.

It was interesting to hear him talk about how reading is the key to success in everything in life. Please keep helping your children become super readers by reading at home every night and signing their reading diaries.

Correspondence will be sent to parents by email and text so please ensure your email address and mobile number is always up to date with the school office.

Our Sports Day is on Thursday 2nd July and we look forward to seeing you all then.
KS2 (Y3-Y6) at 9:30am followed by Foundation and KS1 (YN/R, 1 & 2) at 1:30pm.

Year 5's trip to PGL was a great success and they took part in so many amazing activities. We have launched our trips for Y3,4 and 5 for next year so please pay deposits if you want to book a place. Thank you to our staff who take time away from their families to make sure our pupils can have the best residential trips.

Summer Uniform reminder: Children can wear NAVY checked summer dresses or grey tailored shorts during the summer term. Our full uniform is: White shirt (no polo shirts), school tie, grey skirts / pinafores / trousers, school jumper / cardigan, grey socks and school coloured hair bobbles / ribbons please. We have a navy school PE kit / hoody and children can wear navy joggers during cold weather.

Thank you to everyone who supports our school attendance and makes sure children are in school every day and on time between 8:40-8:50.

Year 5 had a couple of brilliant sessions making a music video and learning about graffiti art. These were really enjoyable mornings and such great learning experiences - we will definitely repeat these with other year groups next year.

Our Year 4 children had a lovely morning in school at their celebration assembly after their Holy Communion in Church. We were very proud of you all.

For children in Year 3, all children who wish to take part in the sacramental preparation next year need to be baptised. Please contact the parish office on 0151 422 1772 if you have any queries.

SCHOOL MEALS REMINDER: We still have a very small number of parents not ordering lunches - please ensure this is done in advance so that there is the correct amount of food prepared.

We have been having some 'times table challenges' around school, please help by practicing times tables at home with your children - there could be some family challenges at home to see who knows them best! You could set up some learning challenges over the summer holidays and let us know when children return to school in September how many they have learnt and practiced.
