

Dear Parents / Carers

Firstly welcome to all of our new parents and carers - the children who have just joined us have settled in so well. We are sure you will enjoy hearing all about their days and all of the exciting things they have been learning.

Our Early Birds Breakfast club has now started and it's great to see so many children attending. We also made the decision as a school, to continue to give all children toast when they arrive at school - we hope this help our families in a morning.

Forest school has already started for Reception and Y4 and all classes will have a chance to take part in some learning outside of the classroom throughout the year. We also have new Spanish and PE teachers in school from Saints Peter & Paul who are working across year groups - they have already given us some lovely feedback about our children.

Y2 have started an after school computer club and our KS2 choir club is back up and running along with an after school football club. We really appreciate our staff giving up their time to provide these additional activities so thank you to all of our hard working staff.

We have sent out our diary dates for the term and look forward to seeing you all at the many activities and events taking place in school.

Both myself and Miss Davies, along with our other staff, are always outside each morning and after school so please don't hesitate to have a chat with us - by continuing to work together in partnership we can ensure the very best start for our children.

Mr Loughran

Congratulations to the winners of our first golden tie awards in this school year - Superstars!

Correspondence will be sent to parents by email and on the school gateway app so please ensure your email address and mobile number is always up to date with the school office.

Uniform reminder: White shirt (no polo shirts), school tie, grey skirts / pinafores / trousers, school jumper / cardigan, grey socks and school coloured hair bobbles / ribbons please. We have a navy school PE kit / hoody and children can wear navy joggers during cold weather. We would welcome any feedback about our uniform and suppliers to ensure families are happy with the price and quality.

Helen and Stef are working hard on our school attendance – please work with them and help our children be in school every day and on time. We will always help our families with any issues, so please do speak to Helen or Stef if you have any problems. Please also bear in mind that the attendance rules are dictated by the government and schools are monitored closely by the local authority.

Please have a good look at the diary dates and make a note of dates that parents / carers are invited in to school. Our first event is the Macmillan coffee morning on Friday 25th September. All classes from Y1 - Y6 will be visiting the hall (see the diary dates for times).

As it's so early in the school year, our EYFS children don't come to this coffee morning but they will attend our Christmas coffee morning in December. EYFS parents are still very welcome to join us on Friday for a cup of tea / coffee and a cake for a good cause 😊. We are sure our Reception parents are also really looking forward to the 'Welcome Assembly' on 6th November.

IMPORTANT - Change to our text service: Please note that our 'text' service is transferring over to the School comms school gateway app where lunches are booked and trips are paid for. All messages will be sent through the app so please have your notifications set to ensure you are seeing messages as they are sent. All messages will be sent through the app and you can still reply to school in the same way.

Our Golden tie winners now have a special 'winners lunch table' they can eat at each day. This is a very special table for the children to sit at proudly to show their achievements. Well done to all of the children who have already won the award this year. Teachers award this special tie each week for hard work, resilience, good citizenship or excellent behaviour.

Thank you all for sending your children in to school looking so smart in their uniforms 😊.

Children break up for half term at normal finish times on Thursday 22nd October 2026.
